Guideline: The original 'National Titles' is now called CLUB 6's.

These are a hybrid of Rules played around Australia in Rebound/Indoor Beach Volleyball Centres. They are not ment to be either Hardcourt or Beach but use elements of both or neither. These Hybrid Rules have been adopted by some Centres but are Tournament Rules only as no 'National' Rules have been agreed to by all centres.

OFFICIALS

The game is controlled by an umpire who may also keep score. An Automated Horn System, the umpire or an official keeps track of the time. Umpires are employed to ref the games but at some stage require a break whereby players may be needed to umpire. These gaps will be made up of players based on a roster system. All players playing in the championships may be required to umpire. In any sport, there are close calls where players will disagree, but the umpire's decision is always final. Any arguing with or abuse directed at the umpire will not be tolerated, and can result in a point reduction or a send-off at the umpire's discretion.

TEAMS

An on court team consists of up to six players. In the case of mixed teams, there must not be any more than three males and not less than one female on court for each team at any one time.

TEAM SHIRTS

20 March 2016 – Although No Objector Centres participated in 2015, the following “request only” will continue, to cover objections, due to uniform changes applied since the 1st ever meeting of a majority of Australian Centre Owners/Managers in Nov 2013.

05 January 2015 – Further changes to uniform rule

To cover objections, due to uniform changes applied since the 1st ever meeting of a majority of Australian Centre Owners/Managers in Nov 2013, the following will apply for 2015.

Whilst each centre can have their own shirt design, the request is to place:

1. on the right breast the current designed State Highlighted National Tournament Logo with Tournament details
2. on the left breast the Centre Logo/details.

If the centre does not wish to do the above, their teams will not be restricted from playing, and we hope others can still identify which centre and state they represent from the playing shirt

SUPERCEDED: 30 October 2014 - Rewording of current rule

'All centres within a state/territory' would have a 'combined/common' element to their playing shirts.'

The common background can be as much as the front upper half of the shirt/singlet using recognized 'State/Territory colours with a symbol/logo/emblem' BUT this area, at a minimum, must include

1. on the right breast the current designed State Highlighted National Tournament Logo with Tournament details
2. on the left breast the Centre Logo/details.

Subject to input within each State/Territory this combined/common area may vary in composition/prominence between each State/Territory but must include the above two elements for each shirt.

AUSTRALIAN INDOOR BEACH VOLLEYBALL CHAMPIONSHIPS

SUPERCEDED: 1 January 2014 - As the original National Challenge was started as a State vs State/Territory the National organisers wish to keep this in the Tournament for the future development of our Sport. The decision was made to adopt the policy that

'All centres within a state/territory' would have a 'combined/common' element to their playing shirts.'

This will be the front upper half of the shirt/singlet. Using recognized 'State/Territory colours with a symbol/logo/emblem' this area will also include the National Tournament Logo with Tournament details, a State or Regional Logo as appropriate and the Centre Logo/details.

Subject to input within each State/Territory this combined area may vary in composition/prominence between each State/Territory but must include the above elements for each shirt.

SUPERCEDED: 1 August 2012 - Teams playing under State Capital Groups - SEQ, Darwin and Perth, must have group approved playing shirts, any shirt differences between centres within a group are to be avoided unless organised through your State Rep. Regional Centres are allowed their own shirts upon liasing with your State Rep and do not have to completely match State Capital Groups. (Bunburry, Alice Springs, Townsville).

SERVING

The ball must be served within a one metre square of the right corner of the rear net. Ball can be served over or under arm. The ball must be released before being served. The ball must not have contact with any net whilst being served. All players must serve. Players are to rotate clockwise on winning the serve unless playing in fixed positions in which case all players are numbered to indicate the serving position. Ball must be set at least once on a serve before being returned over the centre net.

REACHING

1 April 2013. A player may reach over the net when defending or blocking the ball. The ball must be on a path to cross over the center net as if not contacted by the blocking player. A player may reach over the net AFTER an attacking shot BUT MUST NOT BE IN CONTACT WITH THE BALL, the player will be fouled at the umpire's discretion. If the ball touches a player's hand or arm during a blocking action, it is not counted as a hit.

CENTRE NET

Any contact with the centre net by a player when defending or attacking at the centre net will result in a foul. Any player reaching over the centre net when attacking the ball will be fouled.

SIDE AND TOP NETS

All nets can be used in general play, except when serving, or contact with the top net when the ball is returned over the centre net.

GENERAL PLAY

Any body contact or interference with a player on the opposing team may result in a foul. The ball may hit any part of the body above the waist to be deemed a "legal" hit.

BALL AND NET ABUSE

Any kicking of the ball will be an automatic deduction of two points at the umpire's discretion. Players unnecessarily abusing nets will be sent off.

SCREENING

The players of the serving team must not prevent their opponent, through individual or collective screening, from seeing the server or the flight path of the ball.

POINTS SYSTEM:

The final team placing's will be determined by a win and bonus points system, and if necessary, percentages determined by points for & against. There will be 5 points awarded for a win, 1 point for a loss. There will be NO DRAWS, so if a game finishes the designated time with a draw during the round robin, then the next point wins. During finals, if there is a draw at the end of designated time, then 2 minutes of extra time will be played, twice if necessary, after which Golden Point will be used if required. One bonus point will be awarded for every 10 points scored per team per game, whether a team wins or loses.

PLAYERS LATE ON COURT

All teams must have a minimum of 3 players on the court at the start of their scheduled games unless authorised by a Coordinator. Teams will be penalised 3 points for every 2 minutes the minimum number of players is late on court. If by half time any team is still short of players, the game will be deemed forfeit and the 5 win points plus 3 bonus points will automatically be awarded to the opposing team, regardless of the final score.

SUBSTITUTIONS

No substitutions between Divisions will be allowed during the competition unless under exceptional circumstances to be approved by two Coordinators.

No substitutions within Divisions will be allowed during the competition unless:

1. Player sustains any injury or illness that will prevent him/her to continue playing during the competition.
2. Any other circumstance that will be determined and/or approved by two Coordinators that will prevent any player to continue playing during the competition.

Two Coordinators must clear any substitution of players before they are allowed to play for any team during the competition.

MINIMUM COURT TIME

11 Nov 2014 - Each player must: a) be a Paid Participant, b) be listed on the TEAM's 'PLAYERS AGREEMENT' Form, c) have signed that form on or before the 1st day of play. To *qualify to play in the finals* a player must have participated in at least 1 (one) of the round robin games during the competition.

DISPUTES

Any disputes will be directed to a coordinator. The coordinators' decisions' will be final.

FOULS

The point or serve is lost when:

- The ball touches the ground
- A Team plays the ball more than three times in succession (except when in a blocking action and the block is not deemed a hit)
- The ball touches a player below the waist
- A player touches the ball twice consecutively (except on a block or simultaneous contact from a hard driven ball)
- A player touches the centre net (hair is not a fault)
- The ball touches the top net while being returned over the centre net
- A player hits the ball back over the net off a serve
- The ball does not pass over the centre net on a serve
- The ball hits any net on a serve
- The umpire calls a carry, double hit, top net or net touch
- A player interferes with an opponent player
- A player intimidates or abuses another player or the umpire
- The serve is made from outside the serving area
- A player kicks the ball
- A player reaches over the net when attacking the ball
- A player screens the serve
- At the conclusion of a rally the serving team does not send the ball to their own serving player / area in a timely and direct manner

A point is lost if a team:

- At the conclusion of a rally does not send the ball to the serving player / area in a timely and direct manner
- 3 persons of same gender in a Mixed Team deliberately stand or play adjacent/side by side to each other during a rally for longer than necessary to complete their immediate shot and return to their correct position

DEFINITIONS

CARRY OR HELD BALL - The ball comes to rest momentarily in the arms or hands of a player. The ball must be hit cleanly. Scooping, lifting or throwing shall be considered a hold or carry.

SET - A set must be in one fluid motion. Dragging the ball towards the body will be considered a hold or carry.

REACHING BEYOND THE NET - In DEFENCE, a blocker may touch the ball beyond the net, provided that he/she does not interfere with the opponent's play, before or during the latter's attack-hit. Thus, it is not permitted to touch the ball beyond the net until the opponent has executed an attack-hit. **THE BALL MUST BE ON A PATH TO CROSS OVER THE CENTRE NET IF NOT CONTACTED BY ANY PLAYER.** In ATTACK, a player IS permitted to pass his/her hand beyond the net after his/her attack-hit, provided that his/her contact MUST have been made WITHIN his/her own playing area and has not continued over the net.

REBOUNDING BALL - After crossing the centre net, if the ball rebounds back over the centre net due to contact with any court fixture or net within the first metre of the side net without any contact from the opposition, play continues if the attacking team still has a team shot available. After crossing the centre net, if the ball rebounds back after hitting any other area of the court apart as specified above, and without any contact from the opposition, the defending team wins the rally automatically.

ATTACK-HIT - All actions to direct the ball towards the opponent, except when serving and blocking, are considered attack-hits. An attack-hit is completed the moment the ball COMPLETELY crosses the vertical plane of the centre net or is touched by the blocker.

HARD DRIVEN BALL - At first hit of the team, not rebounding off any net with an obvious change of direction, the ball may contact various parts of the body consecutively, provided that the contacts occur during one action.

NET CONTACT - Contact with the net is a fault EXCEPT when the ball is driven into the net and causes it to touch an opponent, or bounce back into the attacker, therefore no fault is committed.

PLAYER ROTATION - Players will be allowed to have fixed playing positions on court provided that each player serves in rotation and is CLEARLY numbered, either on their shirts or black marker on their arms, so the umpire is aware of which player must serve.

SCREENING - A player, or group of players, of the serving team makes a screen by waving arms, jumping or moving sideways, during the execution of the service, or by standing grouped to hide the flight path of the ball.

MIXED TEAMS MALE/FEMALE POSITIONS - During play, 3 persons of the same gender cannot deliberately stand or play in adjacent/side by side positions for a period

longer than necessary to play their immediate shot at the ball and return to their current position.

DEFINITIONS

BALL RETURN - At the conclusion of the Rally the ball must immediately travel by direct means to the serving player / area.

CONCLUSION OF GAME - Unless the ball is in play the game is finished when the final siren STARTS, - "In Play" is after the ball is hit at the serve.

AGE DIVISION CRITERIA - All players in a Division with a specific age requirement must produce photo ID for sighting by a coordinator before and/or during the Championships when requested to do so. Over 35/45 years - before 31st Dec,.... 18 years & Under - before 30 Jun (both dates inclusive)
